FREE High-Efficiency Plumbing Fixture Replacement Program Application

To qualify for this program:

- ◆ The property receiving the toilet must be RESIDENTIAL.
- ◆ Your home must have been built before 1992 or have toilets that use 1.6 gallons of water per flush or more.
- ◆ If you are a city resident, you must be in good standing with the City of Uvalde utility department.
- ◆ If you are a Uvalde County well-user, your well must be a registered Edwards Aquifer well.
- ◆ If you are a renter, you must have the property owner complete and sign the Landlord Consent Form and turn it in with your application (available at City Hall or on City website at www.uvaldetx.com).

When you have completed and submitted this application, the application will be reviewed and processed and you will receive notification in the mail about when and where to pick up your toilet.

One plumbing kit is provided with each toilet. You may not receive a plumbing kit without a toilet. A plumbing kit includes 1 showerhead and 2 sink faucet aerators that fit kitchen and bathroom sinks.

I HAVE READ, UNDERSTAND, AND AGREE TO THE FOLLOWING:

- ◆ I may only receive a maximum of two (2) high-efficiency toilets and plumbing kits through any combination of water conservation programs (including the 2011 giveaway), and only if my home has two (2) or more bathrooms.
- ◆ I may NOT receive free toilets if my home was built in 1992 or later or if I already have toilets in my home that use 1.6 gallons of water per flush or less. My utility account must also be in good standing to receive free fixtures.
- ◆ I am responsible for picking up the free HE fixtures from the City and installing (or paying for the installation of) the new fixtures at the address listed on this application form within 60 days of receipt of the fixtures. All homes will be inspected after 60 days to verify installation.
- ◆ These free HE plumbing fixtures are not eligible for any type of rebate now or in the future and must remain at the address stated above even if I no longer reside at the property.
- ◆ If I am a renter, I am responsible for attaching the Landlord Consent Form (available at City Hall and on the City website www.uvaldetx.com) to this application, getting my landlord to complete and sign the Consent Form, and turning in the two completed forms together. Failure to do so will result in rejection of the application.
- ◆ In accepting these new fixtures, I agree that the City of Uvalde is in no way responsible for the condition of the plumbing on my side of the meter now or in the future.
